

How to use SNAP for your CSA Share

We know purchasing a CSA share can feel like a big investment. Big River Farms offers a variety of payment plans, including an option for Members wanting to pay with SNAP-EBT. Members electing to use SNAP-EBT to purchase a CSA share will have their billing scheduled on a monthly payment plan beginning June 3, 2020, and ending Oct 1, 2020. All Members using SNAP-EBT will receive a discount on their CSA share, and receive additional benefits, including customized shares, a full-season herb pot, weekly recipes, and opportunities to connect with Farmers who grow your food!
